

ECD405 Cash Drawer

Entry Level Cash Drawer

Soma™ Product Family Solution

apg's Entry Level Cash Drawers offer customers a cost effective, economical solution. This drawer is designed to meet the market requirements for businesses within retail and hospitality including those with tablet and mobile POS environments. The Entry Level cash drawer provides a hardwired printer interface, three till options with media storage, a roller wheel suspension sytem, status reporting and emergency access.

Steel Construction

Featuring stel construction for a prolonged operational life, the ECD405 cash drawer is able to withstand busy retail environments.

High Capacity Insert

The removable insert can accommodate 4 notes and 8 coins.

Multiple Storage Options

The drawer provides further storage with a posting slot directly to the insert for additional media items.

ECD410 Cash Drawer

A Robust, Practical Cash Drawer

Economical Solution

apg's Entry Level Cash Drawers, ECD, are a range of cost effective, highly functional cash drawers that offer excellent value for money. The ECD range is perfectly suited to a variety of sectors, including hospitality and general retail, where a good performing cash drawer is appreciated but a heavy-duty lifetime is not expected.

The ECD410 model is a hard wearing cash drawer with a high volume insert accepting the majority of European currencies, therefore it is the preferred choice of leading retailers worldwide.

Durable

Featuring steel construction (at 7kg in weight) and steel ball bearing rollers for a prolonged operational life.

Multiple Storage

The drawer provides further storage with dual posting slots under the insert for additional media terms.

High Capacity

The removable insert can accommodate 4 notes (optional 5) and 8 coin compartments. The adjustable note and coin dividers maximize the insert capacity.

Versatile

The optional lockable lid provides safe and secure transport to the back office and features an indicator switch to show whether the insert is locked or open.
